KICKOFF

### Kickoff

The Lean Inception starts with a kick-off, followed by a sequence of intense activities. and ends with a workshop showcase. The team directly involved with the initiative must participate in all activities; the other interested parties must participate in the kick-off and the showcase, where the expectations and results obtained in the workshop are presented, respectively.

#### Think big, start small, learn fast!

 Ask the main sponsor of the initiative to open the Lean inception with a speech about the initiative to be worked on. Make a brief presentation about the Lean Inception agenda and the concept of MVP.

Ask everyone to write their names, using the color that identifies the level of participation.
